WELCOME

Manly 16ft Skiff Sailing Club enjoys a spectacular location on the foreshore of popular Manly Cove in Sydney's Northern Beaches. It caters for a thriving membership with a diverse range of ages.

Members enjoy a full calendar of sailing events throughout the season with competitive Dinghy racing in a number of classes, including the 16ft skiffs that give the club its name.

Our club dates back nearly 100 years and embraces its celebrated past while also looking to the future.

Club members have lifted numerous state and national titles, while the next generation of champions are being developed in the Manly Junior and Flying 11 classes of the club's growing junior ranks.

Members enjoy a lively social scene off the water and can spend time in the club's wonderfully refurbished clubhouse with its bistro, bars, big screen televisions and magnificent waterfront views.

A combination of a safe, friendly and comfortable environment and facility in one of Sydney's best harbourside locations, with value for money choices and outstanding service,

has seen the club become one of the most popular destinations in the area for socialising and enjoying special occasions.

The well-appointed clubhouse is an excellent choice as a venue for functions, offering a choice of rooms perfect for anything from a wedding reception or birthday party to a conference or board meeting.

COMMERCIAL PROPERTY SPECIALISTS

RETAIL | COMMERCIAL | INDUSTRIAL

Pine Property is a locally owned boutique agency specialising in sales, leasing and property management of retail, commercial and industrial property.

We pride ourselves on offering a refreshing approach to the commercial property market across the Northern Beaches.

A BRIEF HISTORY

The club traces its beginnings to the 1921/22 sailing season when a number of members of the Delwood Canoe Club decided to band together and conduct sailing races on Sunday afternoons. The club was actually formed at a meeting held on Friday 23 February 1923 and was originally known as Manly Sailing Club.

The club carried on for a couple of years with a motley collection of different classes of boat before it was advocated that a definite class be formed.

It was almost decided that the 14ft skiff would be the class, but the addition of several more 16ft skiffs during the 1925/26 season decided the issue. Any other type of boat racing with the club then formed a "B" class.

The 16ft skiff class had its origins on Sydney Harbour at Balmain in 1901 and, by the time it was adopted by this club, had already been established by other clubs on the Harbour and Botany Bay and in Brisbane and Perth.

The present site of the club was leased from the Sydney Harbour Trust (now Roads and Maritime Services) in January 1928 and a

shed designed to accommodate ten boats was built. This building (although by this time larger) remained until 1992 when it was demolished as part of major renovations to the club.

The club switched from Sunday to Saturday sailing for the first time in 1936/37, a tradition maintained to this day. In 1952, with the club now only racing 16ft skiffs, the name was changed to Manly 16ft Skiff Sailing Club.

To cater for the growing numbers of members' children interested in sailing and to provide a training ground for potential 16ft skiff sailors, the club introduced the Flying 11 division in 1971 and a class for even younger sailors, the Manly Junior, was added in 1996/97.

Some years later it was decided that the club needed another class to bridge the gap between the Flying 11 and 16ft skiff. A new class, the 13ft skiff, was developed and this fleet has gone from strength to strength since racing commenced at the club in the 2002/03 season.

Be Skin Smart

Rejuvenate with
LASER TREATMENTS | INJECTABLES | SKINCARE

SkinSmart introduces the latest Body Contouring and Skin Tightening technology from Europe

Onda is the first device of its kind that can simultaneously target fat, tighten loose skin and improve cellulite. Onda's coolwaves penetrate deeper than other non-surgical treatments while keeping the skin cool and comfortable. Onda targets stubborn areas of fat such as the stomach, love handles, thighs and upper arms.

Onda achieves effective results in just 3-4 treatments with no downtime or surgery required. Onda is the latest innovation from Europe's number one laser and aesthetic device manufacturer, Deka.

Dr Bruce Williamson and his team at SkinSmart specialise in :

- The removal of aging warts, unwanted moles, brown marks, skin tags and facial veins.
- Individualised wrinkle relaxing injections, facial revolumisation and a range of skin rejuvenation treatments such as Hydrafacials, Ulthera and Fractionated Laser Resurfacing.
- Sweat reduction treatments, the MonaLisa Touch Laser treatment and Photo Dynamic Therapy for skin cancer.

www.skincare.com.au

Several of our skippers (in a number of classes) have won State and/or Australian Championships, highlighting the strength the club has been able to achieve and maintain. The first to win the NSW16ft Skiff State Championship was "Lightning" sailed by Russell Slade in 1935; "Matana", sailed by Bill McMahon, became the first boat from this club to win an Australian 16ft Skiff Championship in 1976.

We have produced champions and hosted championships: the club hosted both the State and Australian 16ft Skiff Championships for the first time in 1974/75 and has done so again several times since.

The club and its indomitable members have weathered all challenges put before them.

A severe storm badly damaged the club building (and much of the Manly/North Harbour foreshore) in May 1974. Undeterred, much of the repair work to our building was carried out on a voluntary basis during the off-season by club members.

In 2014, a substantial renovation of the clubhouse was undertaken. The disruption and the investment, though, have proved worthwhile, with Manly 16ft Skiff Sailing Club and its members having a stunning building to call home.

With its centenary less than a decade away, the club continues to thrive, both on the water and off it.

SAILING CLASSES & PROGRAM

Manly 16ft Skiff Sailing Club came into being almost 100 years ago as a club for people looking to test their sailing skills. The boats and the people may have changed through the years, but we are as passionate as ever about our racing and as strongly focused as ever on getting out on the water and enjoying keen competition.

The club runs fleets in four classes of boat: the 16ft skiff, which bears our club name, the 13ft skiff, and two junior classes, the Flying 11 and the Manly Junior.

Unlike at many clubs, running these select classes proves very beneficial in developing confident and focused sailors, as they offer a natural and seamless progression, each class providing experience necessary to make the step to the next.

The numerous national and state champions and competent sailors produced by the club would suggest that this approach works!

16ft Skiffs

The 16ft skiff is a high performance racing boat, with a history spanning over 100 years. This skiff has evolved over time to be sailed by a three-person crew, with two on trapeze and a rig plan with large masthead asymmetrical spinnakers.

The 16ft skiff is raced throughout Australia and guarantees sailors an exhilarating sailing experience. In New South Wales, eight clubs including ourselves race the class and are members of the NSW 16ft Skiff Association.

The Manly 16ft Skiff Division comprises of approximately 20-30 boats which race every Saturday during the sailing season except when competing at outside regattas. The sailing season commences in September each year and runs through to April of the following year. If you visit East Esplanade Beach, you will see them rigging up in preparation for their afternoon start.

Racing various courses on Sydney Harbour, the 16ft Skiff Division is a highly competitive fleet whose enjoyment of sailing is paramount.

Skiff Sailing Club. Casual entries are permitted for skiffs not registered with the club however restrictions do apply.

The club champions these magnificent boats at every turn and does everything it can to ensure their long-term viability and popularity.

Recently two major innovations have been introduced to give this class a boost. There has been a significant

increase in money paid for "participation" in 16ft Skiff races at Manly, with cash incentives for those who enter and those who finish.

Secondly, and perhaps most significantly, Manly has been at the forefront of a new scheme alongside the Australia 16ft Skiff Association pioneering a new prototype boat whose cost is significantly cheaper than previous models. It is envisaged this

development will give the class a great boost over the coming years.

Don't think it is all about cut-throat competition here at Manly. We like to have fun too, as you might probably guess with events such as Old Buffers Day to be seen in the diary.

And we can't mention the 16ft Skiffs without mentioning the Keg Cup. State and national titles are one thing, but this piece of silverware is just as eagerly fought over at Manly 16ft Skiff Club each season.

The Keg Cup may not quite have the prestige of the major trophies but it means everything to those at the opposite end of our fleet.

Five boats are involved in the "best of the rest" competition, with results in the second half of the season determining the overall winner.

The winning crew is shouted an all-expenses-paid slap up feed and drink, courtesy of the four beaten boats, at the end of the campaign!

Sea Service Diving and Marine Pty. Ltd. formed in 2002 after 35 years of general commercial diving work. Our Team is lead by an Australian Diver Accreditation Scheme Level II Qualified Supervisor with security clearances to enter all Australian Port Restricted Areas as holders of Maritime Security Identification Cards.

13ft Skiffs

The 13ft skiff has been designed as an intermediate skiff to provide a reasonably priced stepping stone between the Junior classes such as a Flying 11 and the 16ft skiff. Its purpose is to give teenagers the fun, experience and confidence needed to take the step into the 16ft skiff class.

The 13ft Skiff Division races every Saturday with a delayed start behind the 16ft Skiff Division throughout the sailing season. Fleet sizes fluctuate, however the level of talent and enthusiasm for the class continues to grow.

Flying 11

The Flying 11 is a one design, sloop-rigged, restricted class open type sailing skiff. Being a one design class success is achieved by the skill of the helm and crew and not by variations of design or construction of the boat.

Our Flying 11 Division races every Sunday afternoon on the waters of North Harbour and the Sound of Sydney Harbour, except when competing at outside regattas. The Flying 11 Division is fully supported by its own dedicated Race Management Team and administered by the Junior Sailing Committee of the club.

Manly Junior

The Manly Junior is a junior racing dinghy class first launched in 1959. It is amongst the smallest of classes with a "full rig" (mainsail, jib and spinnaker).

The Manly Junior is intended to be a training class for learning to sail, and a racing class in which success will be achieved by the skills of the helmsman and crew because all the boats are of identical specification and strict rules forbid their modification to gain a competitive advantage.

Today, the Manly Junior is one of the most popular classes for young sailors and since its inception has been used to teach over 30,000 children to learn how to sail. Many adults who have gone on to be world champions started in this class.

For further information on joining any of our divisions, please contact us on (02) 9977 3322 or email sail@manlyskiff.com.au

JUNIORS

Manly 16ft Skiff Sailing Club is wholly committed to introducing the next generation of sailors to our wonderful sport, with a dedicated support structure in place to teach sailing to young people in a fun but safe environment.

The club encourages new kids and their families to take up the sport of sailing. For total beginners we suggest they first visit our neighbours Manly Sailing next door at the Manly Yacht Club to get some experience under their belt. They run regular weekend and school holiday programs for both children and adults. From time to time we also run our own Learn to Sail Program. Keep an eye on our website or visit www.niallpowerssailingcoaching.com for more information.

Once they are up to speed and ready to race, kids can look for a crewing position here at Manly 16ft Skiff Sailing Club on one of our Flying 11's or Manly Juniors, or if they have their own boat they can jump straight in with a crew and start sailing. Racing wise our kids train on Tuesday and Wednesday afternoons and we run a novice program during the season to help ease them in.

Our sailing program is designed so that there is a level of natural progression from the juniors into the seniors. Kids as young as 6 can get involved in sailing in the Manly Juniors (MJs) on a Sunday morning.

As they grow they move from crewing on a Manly Junior to skippering an MJ. At the same time the MJ skippers start crewing on a Flying 11 on a Sunday afternoon. This same level of progression is continued through to our 13ft and 16ft Skiff Fleets in the seniors.

While our junior and youth program has produced a wealth of talented sailors who perform well at state and national level, a great strength of the Manly 16ft Skiff Sailing Club program is that it offers a range of different opportunities to all levels of sailors.

Not everyone gets to become an Olympic gold medallist or world champion, but everyone is given

an equal opportunity to become as proficient as their dedication, skill and time permits.

There is great camaraderie between the kids and it's never forgotten that everyone was a beginner once. Some of the older and more experienced juniors will often take the younger novices under their wing and show them the ropes until they feel totally comfortable competing on the water.

Although the emphasis is always placed on fun and enjoyment, the club offers a full sailing calendar and competition is keen. The Manly Junior Class race on Sunday mornings and the Flying 11 Class on Sunday afternoons. Their season follows a similar structure to the seniors, with a series of races, some of which count towards the prestigious Club Championship.

Every encouragement is given to the high-fliers, with youngsters from Manly representing the club annually at national and NSW Championships and other events such as Sail Sydney and Sail Brisbane. Our kids are a talented bunch and often fill many of the top places.

Vision 3 Window Systems Pty Ltd is located in **Brookvale** and is a supplier of the **AWS Vantage Residential and Elevate commercial ranges**, one of Australia's leading brands of aluminium windows and doors.

We provide a comprehensive range of aluminium window and doors systems for residential, architectural and commercial applications that are created with an unbeatable combination of style and strength, smooth operation and an extensive variety of locking and hardware options.

Interested in joining a progressive, modern and forward-thinking club which looks to the future while celebrating a history which dates back nearly 100 years?

Membership is currently open and we would be delighted to welcome you to Manly 16ft Skiff Sailing Club.

Members receive significant discounts in our bar and bistro so why not join today?

With a spectacular location complemented by a magnificent recently-renovated clubhouse, the club's popularity has soared to a whole new level and is one of THE places to be seen in Manly! More importantly, it is a great place to bring family and friends and a warm welcome is guaranteed.

Members can also take advantage of the E-wallet service we are offering at the club that allows you to put money on your membership card. You can then use your membership card to make direct payments at both the bars and the bistro, using just the one card both to make payment and receive your member discounts. It couldn't be easier!

Single-year memberships are available, but if you quickly see us becoming your second home you can make a three-year, five-year or ten-year commitment and receive substantial discounts on your membership fees.

Please note an application fee is payable (we waive this for juniors) when your application is lodged. Sailing members must also pay a small additional fee to become a member of Australian Sailing, which allows them to compete and offers other benefits such as personal accident insurance and access to various discounts from Australian Sailing's loyalty partners. Visit www.sailing.org.au for more information.

You can join:

In Person – simply download an application form from our website and pop it into the club.

Online – the quickest and easiest way - just visit the Membership page of our website.

By Post – Download the membership application form and return your completed application to the address you will find on the "Contact Us" page of this brochure. If posting your form please call us first to confirm the correct prorated membership fee.

For more information, please call **(02) 9977 3322** during office hours or email: info@manlyskiff.com.au

CLUBHOUSE AND BISTRO

There is no better place to enjoy a drink and watch the ferries coming and going, than the Manly 16ft Skiff Sailing Club.

Open daily for both members and guests, our deck offers some of the best harbour views in Manly, where you can sit and enjoy the harbour activity whilst enjoying a delicious meal and a couple of drinks.

Recently refurbished, the Manly 16ft Skiff Sailing Club is definitely a fantastic place to while away an hour or four. If you have not visited us since our clubhouse improvements be prepared to be amazed. Words like "stunning" and "breathtaking" don't do it justice - you need to come see for yourself!

The Bistro at Manly Skiff is open for both lunch and dinner daily and our extensive menu means there is something for everyone, from snacks to substantial meals including seafood platters and delicious steaks. There are regular weekly specials offering such value you may find yourself eating with us more often than you do at home. No washing up to do and the amazing view and friendly vibe surely seals the deal!

The Manly 16ft Skiff Sailing Club is also one of the best places in Manly to enjoy live sport, with its huge outdoor screen at the end of the deck as well as indoor screens throughout the club.

We are located a short stroll around Manly Cove...

WEDDINGS AND FUNCTIONS

Manly 16ft Skiff Sailing Club is delighted to be able to offer top class dining, events and function facilities all year round to members and visitors.

Our magnificent venue has developed a growing reputation for its function hosting and makes an excellent choice for that wedding reception, cocktail party, business seminar, end-of-year celebration, birthday party, reunion or any other event you may choose to enjoy.

We understand that every function is a truly unique event and we are more than happy to tailor a package specifically for you. Our dedicated team of professional catering and event management experts can help make a special occasion simply that and will assist in tailoring a package so that all your expectations are not only met but exceeded.

The club's highly-regarded function venue is located along the coastline of picturesque Manly. Just 25 minutes from the city, with extensive car parking nearby and stunning facilities, our venue is convenient for any function.

Our indoor and outdoor function spaces come complete with panoramic waterfront views to guarantee you and your guests a truly memorable experience.

Spacious and well-appointed, the Harbour View Room flows onto a covered private deck area, which can accommodate up to 80 guests for a seated function and 120 guests for a cocktail style affair.

Our menu selection is designed to suit a broad range of tastes and styles, ranging from canapés to banquet and buffet options. Our chef is happy to personally tailor menus to suit your needs and our superb and competitively priced wine list is designed to suit all budgets.

Any function held at Manly 16ft Skiff Sailing Club cannot fail to be a spectacular occasion, with weddings especially so.

There is a choice of indoor and outdoor ceremony areas just in case the weather decides to misbehave. Simply perfect for weddings, the ceremony area complete with signing table and red carpet boasts wonderful views out over the water and is a stunning spot for the bridal photographer to capture those snaps to grace the wedding album that will provide a lifetime of happy memories.

Wedding packages can be customised to include:

- **Trayed selection of drinks and canapés on arrival**
- **A choice of canapé, banquet, set or bbq menus**
- **5 hour Deck beverage package**
- **Styling and decorations**
- **Use of AV system**
- **Ceremonies**
- **Barista Tea and Coffee**
- **Professional waitstaff**

And, of course, a spectacular waterside location with uninterrupted views across the harbour that will ensure your event lives long in the memory of friends and family.

CORPORATE OPPORTUNITIES

Manly 16ft Skiff Sailing Club has outstanding facilities available for hire that will appeal to the corporate community. We are very much open for business.

Our versatile clubhouse space and Harbour View Room is the perfect venue for all kinds of business events including but not limited to:

- **Conferences**
- **Seminars**
- **Breakfast meetings**
- **Product promotion**
- **Developments of leadership and team building skills**
- **Christmas parties**
- **Charity Events**

The facilities are magnificent, but arguably the most compelling reason to bring your corporate event to Manly 16ft Skiff Sailing Club is our refreshingly flexible approach.

With us, you don't need to settle for second best and feel constricted by having to choose an imperfect package. Instead, come to us with your requirements and we will provide a competitive quote and take care of the rest.

Manly 16ft Skiff Sailing Club offers a change of pace that is sure to impress delegates and can invigorate staff and provide inspiration and breathe creative life into business meetings.

The location is simply breath-taking, even for those who do not have a love for getting out on the water. We are just a short ferry trip from Sydney's CBD, but a world away from the hustle and bustle of office and city life. Our uninterrupted waterfront views from the Harbour View conference room and private covered deck will have your clients talking long after the event.

SOCIAL ACTIVITIES

Manly 16ft Skiff Sailing Club is not just for those who wish to enjoy competitive sailing. It is a great community sailing club, with genuinely friendly members who value their time together as much in the clubhouse as they do out on the water.

There is always plenty going on in the clubhouse providing members with the chance to catch up with old friends or make new ones.

Great food and drink at affordable prices (not forgetting the members' discount) and good company prove to be an unbeatable combination which draws not only many

members throughout the week, but plenty of our neighbours and the wider Manly community.

The club is proud of its extensive social calendar, which is packed with events for all the family to enjoy. Important dates in the diary such as the Melbourne Cup, Mother's Day, New Year's Eve and the NRL Grand Final and Bledisloe Cup are always celebrated in style and are not to be missed.

Being a family club with a thriving junior membership and you'll often find events put on to keep the kids happy.

Parties to celebrate Christmas and the start and end of the sailing season are a fantastic way for new members to meet other members and get involved in the social side of the club.

The wonderful outdoor deck is the perfect place to while away a few hours taking in the sounds and sights of Manly Cove with a glass of wine or other beverage of choice in hand. Or watch the sports action on the big screens surrounded by your mates - it's almost like being at the match!

HOW TO FIND US

Manly 16ft Skiff Sailing Club is located on the foreshore of Manly Cove, only 15km from Sydney's CBD.

It is accessible by a range of different transport options. Scenic and exceptional water transportation, water taxis and fast ferries can drop you off only minutes from the club.

We are on the East Esplanade, approximately a 600-metre walk south from where the ferries terminate at Manly Wharf.

If you decide to take your car, you will find on-street parking, or access the numerous Manly council car parks.

Private shuttle buses and taxis and can be specially arranged to make your journey to the club unforgettable.

CONTACT US

We look forward to welcoming you to Manly 16ft Skiff Sailing Club. If you have any questions or would like further information then please do not hesitate to contact us.

FIRST AID TRAINING & EQUIPMENT

Surf Life Saving NSW (SLSNSW) is a Registered Training Organisation (RTO ID: 90394) which offers Nationally Recognised First Aid Training.

SLSNSW currently delivers training at over 1600 NSW/ACT schools, 1000 child care centres, 20 NSW councils, 10 NSW Universities and hundreds of private, community and government organisations.

All revenue raised through First Aid training goes back to supporting the Surf Life Saving movement. This means that your surf club, clubs in the local area, the state and also the country will benefit.
